**For help** please contact the membership secretary, Susan Marsden: [membership@herts-orienteering.club](mailto:membership@herts-orienteering.club), tel. 01923 225197.

**Data Privacy** The information you give is passed to British Orienteering for membership administration. See our data privacy statement at [herts-orienteering.club/dataprotection](http://herts-orienteering.club/dataprotection).

### Why join?

- **Discounted orienteering nationwide.** As a Club member you are automatically a member of British Orienteering, the national federation. This is recognised with an entry discount (typically £2) by clubs nationwide.
- **Juniors run free at our Saturday Series.** A junior will recover their membership fee in just three events.
- **Social events and free training.** Our orienteering training programme, including dedicated junior sessions, is free to members. We subsidise social events, usually only charging for meals and travel. We also subsidise training for qualifications.
- **Juniors can be selected for the regional squad.** Our orienteering region runs a junior training squad which is the stepping stone to the national development programme.
- **Discounts for all members at our Street-O events**
- **Team events.** You can represent the Club in serious and not-so-serious competitions. Sometimes we'll subsidise you to do so.
- **Retailer discounts.** Through British Orienteering you gain valuable retailer discounts. See [britishorienteering.org.uk/discounts](http://britishorienteering.org.uk/discounts)
- **Camaraderie.** Last but not least, it's fun socialising with like-minded people at orienteering events, travelling to them, staging them...

As a club, we rely on our members to help put on a wide range of races and events throughout the year. We hope everyone will help out with at least a couple of events each year – it's a great way to meet the club, and put something back into the sport. Your help will only be needed for a few hours each year, and helpers are normally able to run too.
