Organiser's and Planner's Comments

A turn out of around 60 was good for a windy December day and thanks to everyone for coming. I hope the courses were enjoyable; comments on the day were favourable. In hindsight my test running of the score was too much of a jog and I over estimated the likely times. A time limit of 35 or 40 minutes would have been more appropriate. I hope I judged the difficulty of the Orange Course correctly, there were a couple of long times, but also some quick ones. Fairland's is a good area for a Saturday Series event with enough woodland to make the score course interesting, if not difficult and allowing Junior courses to be the correct standard. Thanks to Stevenage Borough Council for use of the area and WAOC for the maps. Most thanks though to my team of helpers, for making the day go very smoothly, despite the loss of the tent to the wind early on
